# CORPORATE LEADERSHIP SOCIETY

## GEORGE W. BUSH PRESIDENTIAL CENTER

Located on the SMU campus in Dallas, Texas, the George W. Bush Presidential Center is a nonpartisan institution advancing the timeless values of freedom, opportunity, accountability, and compassion. The Bush Center comprises the George W. Bush Presidential Museum and the George W. Bush Institute, a solution-oriented policy organization focused on ensuring opportunity for all, strengthening democracy, and advancing free societies through policy solutions and public engagement. The Bush Center also houses the George W. Bush Presidential Library, operated by the National Archives and Records Administration, which provides access to official documents and artifacts from the George W. Bush Administration.

## GEORGE W. BUSH PRESIDENTIAL MUSEUM

The Bush Museum promotes a greater understanding of the American presidency and examines the consequential times during which President and Mrs. Bush served. The museum offers a moving exhibit on September 11, 2001, a replica Oval Office, and an interactive experience in presidential decision-making.

The Bradford M. Freeman Exhibition Gallery hosts a variety of annual special exhibitions that delve deeply into unique topics and provide insights that only a presidential center can offer. Past special exhibits have included President Bush's paintings of veterans and immigrants, a look at humor in the White House, American presidents' relationship with baseball and its personification of the Nation's social struggles, and more.

## GEORGE W. BUSH INSTITUTE

The George W. Bush Institute is a solution-oriented nonpartisan policy organization focused on ensuring opportunity for all, strengthening democracy, and advancing free societies. The Bush Institute is rooted in compassionate conservative values and committed to creating positive, meaningful, and lasting change at home and abroad. We utilize our unique platform and convening power to advance solutions to national and global issues of the day. Throughout our work, the Bush Institute looks to inspire policy that reinforces the promise of America by bridging ideology, nationality, and creed.

We do this by pursuing topics that are central to national and global issues such as immigration, trade, education, veterans and military families, global health, leadership, human freedom and democracy, and support for women around the world. We engage the public through convenings, digital platforms, podcasts, the *Engage at the Bush Center* series presented by NexPoint, and *The Catalyst: A Journal of Ideas From the Bush Institute*.

## CORPORATE LEADERSHIP SOCIETY

While visitors come from all over the Nation and the world, the Bush Center desires to be a resource to North Texas visitors and the business community. The Corporate Leadership Society invites business leaders and their employees to engage with the Bush Center through public events, museum exhibits, and invite-only events.
