DONOR SPOTLIGHT

JENNIFER AND RON CHRISTIE

Jennifer and Ron Christie are proud to have worked for President Bush during his Administration. During a recent visit, President Bush asked Ron why they chose to make a generous planned gift to the Bush Center, and Ron responded:

"Jennifer and I would never have met if it weren't for you. Jennifer and I wouldn't be in the jobs we have now if it weren't for you. So, you're asking me why we decided to make a significant contribution? Because of you, President Bush. We wouldn't be here if it weren't for you."

Over the years, Jennifer and Ron have increased their giving because they believe that the Bush Center is a beacon of optimism and will continue to make an impact for generations to come.

"[President and Mrs. Bush] are not looking in the rear-view mirror ... they are always looking forward." -Ron Christie

When you make a planned gift to the Bush Center, you invest in the enduring ideals that define our nation: freedom, opportunity, accountability, and compassion. Join Jennifer and Ron Christie in preserving the legacy of President and Mrs. Bush. Your legacy can empower the Bush Center's mission to cultivate principled leaders, enhance democratic institutions, and preserve the lessons of history.

“This beautiful building has my name above the door, but it belongs to you. It honors the cause we serve and the country we share. For eight years, you gave me the honor of serving as your President. And today I am proud to dedicate this center to the American people.”

A handwritten signature in white ink, reading "G. W. Bush", positioned above the date.
